Dear Ms. Keir:

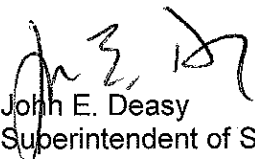

Prince George's County Public Schools is delighted to support your application for tax credits through the Maryland Department of Housing and Community Development for the Maryland Humanities Council. It is noted that the proposed tax credits will be utilized as an incentive for companies to submit donations to the Maryland Humanities Council in order to support a part-time Maryland History Day Coordinator for Prince George's County Public Schools.

The program greatly benefits middle and high school students with broadening the depth of their knowledge as well as greatly enhancing their reading, writing, communication, and research skill development. The entire process of creating the projects, performances or written products has endless benefits for the students. The possibility of accessing funding for a coordinator who would provide these opportunities for our students is enlightening and encouraging. We welcome the suggestion by the Maryland Humanities Council to become a potential partner with Prince George's County Public Schools.

If you need additional information, please do not hesitate to contact Ms. Phyllis Evans, Social Studies Supervisor, at 301-808- 8246 or pevans@pgcps.org.

Thank you for considering us for this opportunity.

Sincerely,

John E. Deasy
Superintendent of Schools
